

Basic Class/Activity Report (middle/high school level)

1. Describe the Class/Activity that you are attending. What is presented? How often do you meet? Does it require practice or homework?

2. What were your expectations before the class/activity began vs now? What is one thing you hoped to learn or improve on from attending this class/activity?

3. Every class or lesson group has many parts, all of which are important. Briefly describe your contribution to the class or activity. Were you there as a learner or did you enjoy opportunities to lead as well?

4. What is your favorite way to learn? Are you a visual learner? Do you like to learn by doing or by watching someone else do it first? How did this class fit with your preferred way of learning?

5. One thing you understood very well.

6. One thing that confused you.

7. If you were doing this project again, what would you do differently to improve the experience or learning? What would you keep the same?

8. If you were to grade yourself, what grade would you receive? Why? Explain why you deserve that grade.
